

# BE A LEADER IN NOISE CONTROL BY GETTING YOUR INCE BOARD CERTIFICATION

## INCE-USA Board Certification Call for Applications

The INCE-USA Certification Board is now accepting applications from individuals interested in becoming INCE Board Certified. The application deadline for 2021 applications is **March 31st, 2021**. The professional exam will be scheduled for some time in August 2021 at a location to be determined.

Basic requirements are: a BS in Engineering with specialized coursework in acoustics, noise control, or related topics; five years of related experience; and passing the INCE Professional Exam (or completing the 3-semester INCE-USA online Noise Control Engineering course).

If you are interested in becoming INCE Board Certified, or know someone who is, find complete details here (link: [www.inceusa.org/boardcertification](http://www.inceusa.org/boardcertification))
